Contents of Multilingual Guidance

Explanation of basic knowledge for life as a junior high school student. (fees, study subjects, school events, club activities, etc.)

We will explain what you need to prepare for high school (fees, entrance examinations, study and courses at high school, high school life, etc.). (fees, entrance examinations, study and courses at high school, high school life, etc.) Hear from high school students with foreign roots, university students, and working adults about their experiences.

We have prepared a pamphlet explaining high school and college admissions in multiple languages.

This event is intended for parents, junior high and high school students, but anyone interested is welcome to attend.
