

For Students And Parents With Foreign Roots

# High School Admission Guidance

First Step To Make Your Dreams come true☆

Get To Know About High School Admissions!

High school admission guidance session is going to be held for the elementary and junior high school students whose mother tongue is not Japanese, for their parents, school officials and community supporters. To prepare for entering the higher level of education, one can listen to the stories derived from the experiences of the senior students. Please come with your family! Let's support the children going on to the senior high school and help them to fulfill their dreams.
