

# High School Guidance in Nagano 2024

~For non-Japanese speaking children and parents~

A high school guidance will be held to help you better understand the system of entrance examinations, school life, costs, etc. This is mainly for junior high school students and their parents, but anyone interested is welcome.

At the meetings, interpreters will be provided (the available languages will be different by the venue), and multi-lingual materials will be available.

(Materials are provided in Portuguese, Chinese, Tagalog, Thai, English, Spanish, Vietnamese, and Japanese.)
