

High School Guidance in Nagano 2026

~For non-Japanese speaking children and parents~

A high school guidance will be held to help you better understand the system of entrance examinations, school life, costs, etc. This is mainly for junior high school students and their parents, but anyone interested is welcome, including the elementary school children and their parents who moved to Nagano from overseas or another prefecture.

At the meetings, interpretation services will be provided (the available languages will vary by the venue), and multi-lingual materials will be also available.

(Materials are provided in Portuguese, Chinese, Tagalog, Thai, English, Spanish, Vietnamese, Nepali and Japanese.)
